

JOIN JR. LIFEGUARDS

Bonelli Park Jr. Lifeguard Program

The County of Los Angeles Junior Lake Lifeguard Program was established in 1990, it has grown into one of the most successful water safety training programs. The program offers a wide range of activities for both boys and girls ages nine to seventeen. Activities include swimming, physical fitness, kayaking, paddle boarding, snorkeling, and training in lifeguarding skills. In addition to these activities, participants are also taught skills in basic lifesaving, CPR, first-aid, sun-safety and boating water safety. The Program is taught by highly trained Lake Lifeguards, overseen by Jr. Lifeguard Program Directors. One of the program's main objectives is to instill self-confidence in each individual while exposing participants to an environment that emphasizes a competitive atmosphere, courtesy, respect, discipline and good sportsmanship. The program brings kids together from all aspects and forms lifelong relationships. Financial aid is available to help Jr. Lifeguard families afford this great program. Financial Aid applications must be turned in with a completed program application. Competition between the Lake JG programs happens once a session at one of the facilities. Jr. lifeguards can also move on for a chance to compete at the CSLSA Jr. Lifeguard Championships. Every year hundreds of Jr. Lifeguards go through this great program and give themselves the skills to move on to become a real Lifeguard. Lake lifeguards must be eighteen years of age and pass the LACo lake lifeguard academy.
