Welcome New Participant!

All new participants will need to tryout for the 2020 Bonelli Junior Lifeguard Program.

If you have not already done so, you will need to create a profile on ActiveNet.

Details and instructions on ActiveNet, activity enrollment, and tryouts can be found here:

<https://www.bonellipark.org/bonelliigs.html>

Once you have created a profile, you will need to sign each child up for the 2020 Junior Lifeguard Tryouts on ActiveNet. This event will be open for sign ups on or around March 1.

- There is no fee to sign up for the tryout, but being enrolled in the tryout event activity is a prerequisite for enrolling in the actual program (Registration for the program will start May 1).
- To search for the Tryout Activity on the Active Net website, type in the keywords: bonelli tryout

Make sure you are signing up for the Bonelli tryout and not Castaic or Santa Fe Dam.

The title is : BONE TRYOUT Bonelli Jr. Lake Lifeguard Program TRYOUT 2020

Once you have created a profile and enrolled each child in the Bonelli 2020 JG Tryouts, then you will need to show up on one of the tryout dates and each child will need to pass the tryout.

When each child has passed the tryout, JG staff will go onto ActiveNet and mark each child as having passed. Once we have marked each child as passed you will be cleared to sign them up for the 2020 Junior Lifeguard Program once registration opens on May 1.

If a child does not pass at the first tryout, you are welcome to attend the second tryout and try again.
